**RE: BOIL WATER ADVISORY ISSUED TO GRUNTHAL PUBLIC WATER SYSTEM**

Dear Rob Driedger:

Drinking Water Officer, Colin Nakata has advised me that the Grunthal public water system has met all conditions for rescinding the boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the boil water advisory that was placed on the Grunthal public water system on August 9, 2022.

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Sarah Belisle, Senior Regional Drinking Water Officer at 204-371-5065.

Sincerely,

**Dr. Mahmoud Khodaveisi**
