I hereby give assurance that:

- As the MECB Coordinating Registered Professional, I have applied a professional level of care in coordinating the design work and field reviews of the registered professionals required for this project as it relates to the MECB.
- Based on the designs, reviews of construction, and required certificates submitted under seal by all registered professionals on the project, and if applicable, my own further reviews and/or any further statements issued to me under seal of professionals, I hereby represent that:
  - In my professional opinion the design and construction of this project was carried out in substantial compliance with the applicable provisions of the MECB.
  - I am not aware of any substandard workmanship, materials or assemblies that would compromise compliance with the MECB.
  - I commit to retaining all MECB records for a minimum period of seven years and will make them available to the RM of Hanover in the event of an audit, together with relevant information and/or supporting statements from other professionals.
